2/ PARTICIPANT DECLARATIONS

By signing this form, I confirm that:

- I have read the competition rules and agree to comply with them.
- I meet the age requirement: I am aged 16 to 20 inclusive on 10 November 2026.
- The information provided is complete and accurate, and I prepared my motivation video myself.
- I have provided the latest available document showing my academic grades. If I am in my final school year, it is the latest available document showing my current grades.
- I understand that AČOK Education accepts my application only through a partner, which is my main contact for application submission.
- I understand that three full grants are offered and that each covers only the full tuition fee for one selected available Czech or English preparatory language programme organised by AČOK Education at ČVUT in Prague in the 2027–2028 academic year.

- I understand that I pay for my visa, health insurance, accommodation, meals, transport, document translations and other costs not covered by the grant.
- I understand that entering does not guarantee winning, enrolment, university admission or a visa.
- I understand that no contract with AČOK Education, advance or other payment is required to enter.
- I understand that entering does not itself create a right to a refund of an advance. If I become a winner, an advance previously paid to AČOK Education for the relevant preparatory programme will be refunded after the payment has been verified and acceptance of the grant confirmed. This does not limit my refund rights under law or contract independently of the competition.
- I follow AČOK's official Instagram account @acok_education and have provided my correct username in the application.

3/ VIDEO USE FOR THE COMPETITION

I give my partner the link to my Unlisted YouTube video for transfer to AČOK Education and access by authorised staff, jurors and technical administrators only to check and assess my application.
I understand that anyone who receives an Unlisted link can view and forward the video. I will not include my home address, passport number, health information or other data not required for the competition in the video.
